Remember the Formal Opening Party at Shadow Mountain Club last November 10th? Those wonderful Wilder Brothers, and their zany floor shows and wonderful music for dancing will return by popular demand to give members and guests another fun-filled evening for the April Showers Party on Saturday, April 20th.

Well known as feature entertainers, the Wilder Brothers have appeared at the Flamingo, Riviera, Tropicana and Stardust Hotels in Las Vegas and have delighted TV audiences on such shows as Red Skelton's.

Because of the popularity of the Wilder Brothers an unusually large number of members and guests will plan to join the fun at the April Showers Party on Saturday, April 20th. Better get your reservations in early!

NEW MANAGER OF SMC - John Noyes

"Tis said once you get Palm Desert sand in your shoes you'll always come back." How true this is in the case of John Noyes, New Manager of Shadow Mountain Club. John has returned to Palm Desert after an absence of a year which he and Mrs. Noyes spent in Santa Barbara, California at El Mirasol Hotel. John is no stranger to Palm Desert, having been Manager of Desert Air Hotel for nine years.

In reminiscing with John, we discovered he has had a very interesting career in hotel and club operations. John got his start in the hotel business in his home-town, Rochester, New York. From Rochester he worked in hotels from Maine to Florida - Florida to Wisconsin. His big "break" came when he was appointed Manager of the Penn Beaver Hotel in Rochester, Pennsylvania. This hotel was a member of the American Hotel Corporation and had in its chain many active hotels. Through this association, John came to California. "Having traveled over many parts of the United States, my coming to California was the best move I ever made" was the way John put it. Six years were spent at the La Valencia and Casa de Manana Hotels in La Jolla and then to Palm Desert - which became "home".

As a little closing remark, John proudly mentioned that his other big job in returning to the desert is that his daughter, Jeanne and her husband live here and now he will get acquainted with his little year-old grand-daughter, Leslie Ann.

Both John and his wife, Eleanor are looking forward to the pleasure of meeting personally all the members of Shadow Mountain Club and they both hope you all will visit "YOUR CLUB" often. The WELCOME MAT is always out.

DESERT BEAUTIFUL

Many Shadow Mountain Club Members, particularly those who call the desert "home" most of the year, are giving their enthusiastic support to Desert Beautiful. March has been named as planting month in the desert, with Arbor Day marking the planting of many trees throughout the Coachella Valley by civic groups and cooperating nurseries.

General Chairman of the group, Marian (Mrs. Clifford) Henderson urges all who own property in the desert to join in the "Pick-up, Paint-up and Plant" drive, and if you don't own property - - then tell someone else who does!

PALETTE CLUB

Artists of the Shadow Mountain Palette Club created a colorful picture as they painted on the "village green" (the triangle of green at the west entrance of Palm Desert), surrounded by completed canvasses. Many interested motorists stopped to admire, and, incidentally, to buy! There were 6 paintings sold, and more ordered. Look for repeat performances!

Coming events scheduled by the Palette Club, include the "Third Anniversary" party, Friday evening April 5th, with a premiere showing of a juried exhibit (each artist will have 2 paintings entered). Cocktails will be at 6:00 p.m., and dinner at 7:00 p.m. All members of the Shadow Mountain Club and their guests are invited to join in celebrating this happy event.

TWILIGHTERS

The Twilighters are looking forward to the resumption of their Sunday afternoon mixed foursomes - cocktails and dinner - on April 21st.

The following are announced as winners of the recent matches: 1st Place, Jim Barton and Beverly Diggle. 2nd Place, Barney Whisenant and Helen Seals. 3rd Place, Dr. P. W. Seals, and Nan Ballard. 4th Place - a 3 way tie between Guy Warren, Bi Johnston, and Dr. Al Johnson: and Babs Ingham, Ward Ingham, and Vera Drugan.

GUYS AND DOLLS

Rain, chilling wind and cloudy skies couldn't halt the intrepid Guys and Dolls Golf Match played at Shadow Mountain Park Club, Sunday, St. Patrick's day. Promptly at 1 p.m., 36 bundled but brave Guys and Dolls teed off on a two ball foursome match - in weather so unfavorable that most folks wouldn't even take their cars out of the garage.

After a gay "thawing out cocktail party" in the new 19th hole Lounge, a gala dinner party followed in the main dining room and was attended by 40 dinner guests. Donna Whisenant entertained with some Irish Jigs. Alice Cook rendered several gay Irish salas, and all players and guests joined in group singing - led by Donna. All enjoyed dancing, as usual, to the wonderful music of The Wagners'.

Inez Wall, chairman of the Guys and Dolls group assisted by Hap Ballard of the Twilighters Club, presided. These two workers have suc-

TRILOBITE AND A HOLE-IN-ONE

Fossil hunting seems to be giving golf some competition these days, according to locker room conversation at the club with "Chet" Fenton taking bows for finding an almost perfect trilobite on a recent field trip with the geology class (Adult Education Division) of the College of the Desert. So what's a "trilobite"? - well we had to get our dictionary, too! -- Anyhow, they're not easy to come by, says Chet, as they are embedded in the shale, which must be split by a putty knife, and few specimens are found in perfect condition. After all, Chet says they're 500 million years old! That's right - 500 million years old! Chet hasn't been so excited since he made a hole-in-one recently at S.M.C.

SMC TIDBITS ...

by THE ROADRUNNER

ACTIVITY is in the spotlight these days at Shadow Mountain Club. The popular Sunday Buffet is back in full swing. Service is from 12 noon until 2 p.m. How about getting a group together next Sunday? You'll enjoy it!

APRIL SHOWER OF FUN is in store for members and guests planning to make up tables for the April Party night. By popular demand the famous Wilder Brothers and their wonderful group of musicians return to Shadow Mountain Club on April 20th with a new show and smooth music for dancing. Those of you who attended the Formal Opening last November will remember the Wilder Brothers and their group. Reservations are coming in at a good clip, so we advise you make your plans now to be at the Club on April 20th. Better call the Club right now. You will want to be at this party! Es la Hora de la comida!

HAVE YOU NOTICED the pretty chain and locket Paul Diggle gave his beautiful wife Bev? The reason, our scouts report, is that Bev broke 100 a couple of times on the Shadow Mountain Golf Club Course. Congratulations, Bev! Break 80 and maybe you'll get a new sports car!

SAGE REMARK from actress Billie Burke: "Age doesn't matter unless you're a cheese."

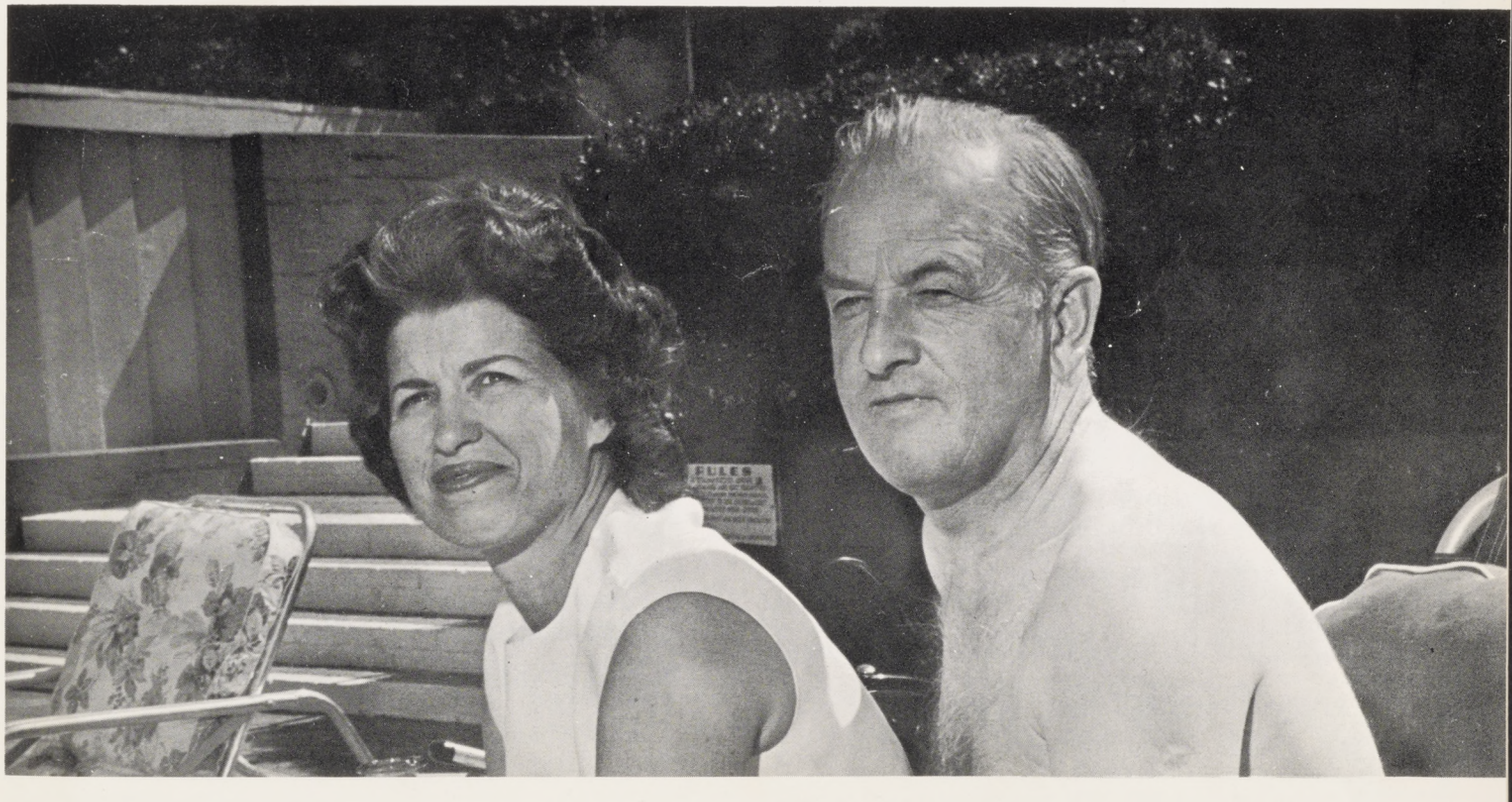
SO, WHAT IS OLD? "Neither snow, nor rain, nor heat, nor gloom of night stays these couriers from the swift completion of their appointed rounds." - - -

Herodotus (484-424 B.C.)

SO, WHAT IS NEW? Bridge is getting popular of an afternoon at the Club these days. Col. David Fitch, with partner Paul Diggle against opponents Bill Smith and Don Hetland, made a double and re-doubled bid - a big one - near the end of the session and we think came out on the long end of the score. Chief Kibitzers were Hank Reynolds and Tom Morris. Maybe you should get up a game. Checker boards and chess are also available in the Club Lounge for those who want to try their skill.

MORE ACTIVITY ON THE WAY - we discovered the other day. Big plans are underway for the Shadow Mountain Club annual Luau to be staged in May. Better get that grass skirt out and practice the hula. Oh, Poi, oh Poi!

Rumor has it the party will be a poolside on May 18th. Your invitation with details for this "happy time" will be mailed soon. Just for fun,



A Welcome to Mr. and Mrs. Walter J. Schulz. New Members of Shadow Mountain Club.

don't plan anything else except to be a part of the Luau.

ACTION at the 11th annual Desert Invitational Tennis Tournament sanctioned by the U. S. Lawn Tennis Association was delayed by the rain -- excuse the expression -- in February, but wound up in a blaze of thrilling tennis on March 10th. Tom Edlefson nosed out Lawrence Nagler in the men's singles, Edlefson and Bond walked away with the men's doubles honors. Constance Jaster defeated Albertina Rodi in the women's singles. Not only did those two girls play good tennis, but they are two delightful and attractive dolls!

The President's Corner . . .

The best time of the desert Season is with us now. Isn't it true, though, that the best time we have is when we ourselves make the desert days and evenings interesting. Your Shadow Mountain Club has many facilities and "goings-on" to offer you and your guests.

The Sunday Buffet has been reinstated and many members reported that last Sunday's buffet was the best yet. True, we had a few problems getting started a few weeks ago, but now many, many members tell us the menus are fine. Chef Barron and Club Manager John Noyes are planning interesting menus for the rest of the season, so why not make a reservation for next Sunday!

There is a lot of activity in store for members and guests during April. The Palette Club is holding its Birthday Party on Friday, April 5, and they are staging their own show! Artists are usually full of surprises! All Shadow Mountain members and guests are invited to the dinner. All for $5 including tax and gratuity.

On April 20th, the Wilder Brothers are being brought back to Shadow Mountain Club for the "April Showers" Party. This is a great show and those of you who attended the Formal Opening in November will remember this talented group.

There has been a lot more activity by the bridge players in the Lounge. You will enjoy getting up a game and joining in the good fellowship. The best way in the world to enjoy your Club and get the most out of it, is to use your Club often. Hope to see you there soon.

Clifford W. Henderson
President, Shadow Mountain Club
